

STST 1 New Ford/Lincoln Technician	STST 10 Field Service Actions	STST 31 Gas Engine Performance	STST 32 Gas Engine Repair	STST 33 Steering & Suspension	STST 34 Electrical Systems	STST 35 Climate Control	STST 36 Manual Transmission & Drivetrain	STST 37 Automatic Transmission	STST 38 Brakes	STST 39 Electronic Systems	STST 51 Diesel Engine Performance	STST 30 New Model Training	QuickLane & Collision	Other
F101001003 Introduction to the Automotive Industry	F103001103 Ford & Lincoln Recall Dealer Service Training	F101001103 Introduction to Engine Components, Subsystems & Operation	F303101003 Gasoline & Diesel Engine Families	30505W1 Introduction to Noise, Vibration, & Harshness	F401001103 Low Voltage Battery Systems	35S01W2 Climate Control Theory & Operation	F308201103 Manual Transmission	F307001103 Physics of the Automatic Transmission	38S01W2 Vehicle Braking Systems	34S15W0 Electronic Theory & Operation	F305101103 Diesel Engine Theory & Operation	S725U01103 2022.5 Bronco Raptor New Model Training	36S2W Quick Lane: Introduction to Services	F100003103 New Ford Tech (non-transferred course)
F101004003 Introduction to the Automobile	F414101203 High Voltage Systems Safety	F304102103 Powertrain Primary Inputs & Outputs	32S02W1 Automotive Measuring Tools	33G01W1 Tire/Wheel Vibration Analysis	F4010003103 Starting Systems	F412102103 Electronic Climate Control System Theory & Operation	36S13W0 Differential & Driveline Systems Operation	F307101103 AT Mechanical Components Part I	38S02W1 Brake Service Procedures	F402201003 Perimeter Anti-Theft Alarm	F305102103 Diesel Electronics	S708P01003 2023 Super Duty New Model Training	3475W2 Quick Lane: VCU (Vehicle Check Up) Basics	3537W One
F101002003 Shop Safety	F501201003 Supplemental Restraints	F304103103 Powertrain Control Systems	32S06W1 Engine Operation, Diagnosis, & Repair I	F206205102 Advanced Steering & Suspension Systems	F4010005103 Alternator Systems		F307201003 Rear Wheel Drive Based 4WD Systems	F307102103 AT Mechanical Components Part II		F401207102 Infotainment	F305103103 Diesel Fuel Supply & Injection Systems	S707C01003 2024 Lincoln Nautilus New Model Training	36S1W Quick Lane: Brand & Values	6019W Connectivity: As Always. Like Never Before.
10M01W2 General Maintenance Information		F101019003 Introduction to Alternative-Powered Vehicles	F303201103 Engine Camshaft Timing	F204201003 Steering & Suspension Alignment	34S16W0 Understanding Electronics		F307202003 All-Wheel Drive (AWD) Systems	F307103103 Apply Components		F401104103 Connected Vehicle Technology	F305104103 Diesel Engine Air Inlet Systems	S702P01003 2024 F-150 New Model Training	30G23W1 Collision & Body Shop Essentials	
10M01W25 Documents for General Maintenance		F304104103 Fuel & Air Theory & Operation		F206206102 Steering & Suspension System Diagnosis & Service	F418201201 Network Communications			F307104103 Automatic Transmission Hydraulic Components		F402101103 Advanced Driver Assistance Systems	F305105103 Diesel Fuel Quality	S703P01003 2024 Ranger New Model Training		
10M02W0 Completing an Efficient VCU Inspection		F304105103 Gasoline Engine Air Intake Systems		F206207102 Vehicle Dynamic Control System				F307105103 Automatic Transmission Electrical Components		F305106103 Exhaust Aftertreatment Systems	F305107103 Diesel Cold Weather Aids	S650S01003 2024 Mustang New Model Training		
F101005003 Vehicle Inspection & Maintenance		F304201003 Turbocharging & Supercharging						F307202103 Automatic Transmission Mechanical Operation			34S5W1 Diesel Powerstroke Care & Maintenance	S625U01003 2025 Explorer New Model Training		
F100101203 Technician Warranty Responsibilities		F304202003 Ignition Systems Theory & Operation										S611U01003 2025 Lincoln Aviator New Model Training		
3643W1 Service Skills: How a Vehicle Works		F304203003 Overview of Exhaust Emissions										S717U01003 2025 Expedition New Model Training		
30G22W0 Pre-Delivery Inspection		F304204003 Catalyst & Exhaust Components										S718U01003 2025 Lincoln Navigator New Model Training		
F401001003 Basic Electrical Theory & Operation		31S24W0 EP System Relationships & OBD II Monitors										S650S01103 2025 Mustang GTD New Model Training		
F401006103 Using a Digital Multimeter												S727C01003 2025 Mustang Mach-E New Model Training		
F101011003 Electrical/Electronic System Fundamentals														
F101012003 HVAC Fundamentals														
F206204102 Steering & Suspension System Fundamentals														
F204002103 Tire Information														
F204003103 Tire Inspection & Maintenance														
F204001103 Basic Tire & Wheel Service														
F101015003 Brake System Fundamentals														
F101017003 Engine Fundamentals														
F101018003 Drivetrain & Transmission Fundamentals														
F101003003 Automotive Tools & Equipment
